### **Signerede fotos**

Signerede prints er printet med pigmenteret blæk på mat fotopapir (high res paper). Alle fotos er godkendt og signeret af Henrik Schurmann. Billederne er velegnede til montering i ramme.

### **Fine Art**

Fine Art er print i den bedste kvalitet på nøje udvalgte materialer.

Til Fine Art anvendes Hahnemühle Monet Canvas eller Hahnemühle Photo RAG som er en mat papirtype. Begge der giver billedet en fantastisk flot finish. Overfladen har ingen generende refleksioner, og hvis man ikke anvender glas foran får man et utroligt flot billede, der kan betragtes fra alle vinkler.

Billederne i Fine Art kvaliteten bærer Henrik Schurmanns signatur på bagsiden.

### **Signed prints**

Signed prints are printed on High Res Paper with a matt surface. Each photo is approved and signed by Henrik Schurmann.

### **Fine Art**

With Fine Art prints you get the highest quality on carefully selected materials.

For Fine Art, Hahnemühle Monet Canvas or Hahnemühle Photo Rag is used. The surface has no reflections, and you get an incredibly beautiful image, that can be viewed from all angles.

The images in Fine Art quality bears Henrik Schurmann's signature on the backside of the image.
